Date 23rd August, 194 4.

Dear sir,

With reference to your letter No.W.30 dated 4th July 1944, intimating that the question of alloting two more Chassis will be considered when the next quota is received from the Government of India, I write to request you kindly to allot the lorries immediately as it is proposed to send the present lorries for being fitted up with gas plants immediately as it is proposed to send the present lorries for being fitted up with gas plants immediately, by which the transport of fuel will be affected.

In this connection, I may also mention that the Municipality is in urgent need of at least one lorry for the use of the Municipal Sewage Farm for distributing grass to the several purchasers in the different Mohallas of the City. This work has become urgent and important in view of the scarcity of fodder in the city In case the vehicle cannot be used for fuel

transport, it will be very helpful for meeting the great demand for grass supply from the Municipal Farm Therefore, I request you kindly to allot at least one lorry immediately for the use of this Municipality.

Yours sincerely,
